

Christmas Closure

Our offices and workshops will be closed from Monday 23rd December (inclusive) and will open on Thursday 2nd January 2020. We will respond any queries as quickly as possible upon our return.

Introducing our new Black Shade Chandelier

One of our new models, a little different from our norm but much admired so far. With 6 lamps and clear glass chimneys.

The shade is 74 cm in diameter and the height is adjustable between 65 cm and 100 cm. The first versions are in black but other colours can be made to order.

Sidholme Music Room Installation

In November we installed the latest of the chandeliers we have had the pleasure of restoring at Sidholme Music Room. Pat from our team had a chat with BBC Spotlight during the installation. To watch the video go over to our facebook page:

Wilkinson's Latest Liveryman.....

One of our company directors, Jodie Wilkinson is now a Liveryman of The Worshipful Company of Glass Sellers following her installation in September. Here's what Jodie had to say about why she wanted to become a Liveryman. "I first heard about the Glass Sellers Company when my father David Wilkinson became a Liveryman a few years ago. Shortly after my father becoming a Liveryman I soon realised that this company had great fellowship and held some fantastic social events. My father invited me along as a guest to a few of the Livery dinners, where I enjoyed great food, listened to fascinating speakers and met a range of people from different backgrounds and industries with a friendly welcome. Working with my father for the last 14 years in our family business in lead crystal glass restoration and the manufacture of lead crystal lighting, I have a natural love of glass. Needless to say when I was asked if I would like to become a Liveryman of the Glass Sellers company it didn't take me long to say yes"

Finally we wish you all a wonderful Christmas and a prosperous 2020 in which we hope to work with you again.
