Rock Crystal Chandeliers for Sale

This fabulous pair of Continental style chandeliers used to hang in Mayfair’s private members club Mark’s Club. They have recently been restored by Wilkinson and are now available to purchase, they can be viewed at the wonderful showroom of John Bly Antiques, on the first floor of London King’s Road Furniture and Arts Building. Each chandelier has 9 lights interspersed with 3 striking solid blue glass spikes, an upper hollow blue stem piece and dressed with rock crystal pear and kite pendants. The metalwork has been finished in antique gilt. Height 100cm Diameter 61cm

Kent Life

Be sure to pick up a copy of May’s Kent Life which focuses on families. On pages 154-155 you can read all about our family business and how David Wilkinson manages to work in the office alongside 5 women!

Metallic electrical flex

We now sell metallic wire coated 3 core electrical cable. Available in brass, stainless steel, copper and bronze, the flex looks wonderful on a variety of modern fixtures and is a great alternative to the plastic flex.

0.75mm copper wire enclosed with an outside flex diameter of 6-7mm. Maximum load 1000 Watts @ 240volts. Purchase available in metre lengths via our ebay shop - www.ebay.co.uk/WIRE-COATED-FLEX
