

### Royal Warrant

On the 1st January this year we celebrated 30 years of holding the Royal Warrant by Appointment to Her Majesty the Queen as glass restorers. David Wilkinson has been the warrants grantee since we were given the warrant in 1986 and we believe that this must make him one of the longest holding grantees. Royal warrants have always been regarded as demonstrating service, quality and excellence and are highly prized and it has been our pleasure to offer our services to the Royal Household and we hope to continue to do so for many more years.
